

Product Specification Sheet

NC 270 C2C-G Flexo Printing Ink-System

Company: Siegwerk Druckfarben AG & Co. KGaA
Certification #: 4301
Initial issuance date: August, 21, 2020
Expiration date: August 20, 2022

Product description: The solvent based NC 270 C2C-G ink system is developed for surface printing of polyolefinic substrates using flexographic printing processes. The certified ink systems include opaque white ink, a wide range of colours according to Material Health Certificate Gold level specifications and a robust overprint varnish. The ink series is suited for flexo printed primary food packaging designs.

Approved for use:
