

Product Specification Sheet

Linoleum flooring

Company: Tarkett
Certification#: 4290
Initial certification date: November 25, 2013
Valid until: February 15, 2022

Product description:

Tarkett Lino flooring range includes Originale collection. Originale reflects the desire for a pure, authentic look that's closer to nature. Almost 100% natural in its composition, this is Tarkett's most sustainable, nature friendly linoleum flooring to date.

The range includes the reference "Veneto 100% linen" comes in the real colour of linoleum as made without the use of pigments and two designs, Minerale and Vegetale, both made using natural pigments derived from renewable organic sources like charcoal and walnut hull. Originale is protected with Essenza (acrylic finish).

Elafono is a 100% natural corkment underlay. In combination with any compact linoleum, it grants additional sound reduction and comfort underfoot.

Approved for use:

Originale Vegetale
Essenza Originale
Minerale Essenza
Veneto 100% Linen
