

Product Specification Sheet

Colortec Re:THINK

Certification #: 4214
Company: Dansk Wilton A/S
Initial certification date: December 5, 2019
Valid until: December 14, 2021

Product description: The Colortec RE:THINK carpet solution is targeted the hospitality industry and offers custom design carpets with ample design possibilities. Colortec RE:THINK is produced using pre-dyed yarns in a yarn blend of 80% wool and 20% nylon and has an integrated textile backing.

Colortec RE:THINK is available with a wide range of performance characteristics, designed to be suitable for many spaces – from hotel rooms to high traffic public areas.

Exceptions: N/A

Approved for use:
