## Colortec Re:THINK +

Certification #: 4222  
 Company: Dansk Wilton A/S  
 Initial certification date: December 5, 2019  
 Valid until: December 14, 2021

**Product description:** The Colortec RE:THINK+ carpet solution is targeted the hospitality industry and offers custom design carpets with ample design possibilities. Colortec RE:THINK+ is produced using pre-dyed yarns in a yarn blend of 80% wool and 20% nylon and has an integrated textile backing.

Colortec RE:THINK+ is available with a wide range of performance characteristics, designed to be suitable for many spaces – from hotel rooms to high traffic public areas.

**Approved for use:**
