

Product Specification Sheet

DYLAN FABRIC

Company: Artistic Milliners PVT Ltd.
Certification #: 4580
Initial issuance date: October 2, 2020
Expiration date: May 7, 2022

Product description: Product is a denim fabric designed to be used to produce denim jeans. Product is produced from cotton, which is then spun dyed in indigo solution and woven into fabric before being cut and sewn into denim jeans. The fabric is designed in collaboration with G-Star Raw & DyStar and produced by Artistic Milliners.
